

SUBJECT: Alarm System Permit Application

The City of Lethbridge has had an Alarm System Bylaw in place since 2000. The purpose of the Lethbridge Alarm System Bylaw is to promote the responsible use of alarm systems by both companies and individuals. The intent of the bylaw is to reduce the number of false alarms that police attend. Lethbridge Bylaw No. 5078 requires all alarm system users to have a valid alarm system permit. Police may not attend your alarm if you do not have a valid alarm system permit. The alarm system permit application can be obtained at the police station, online on the LPS website or from alarm service providers.
